Widget benefits

Increase sales

Save your customers time by providing the opportunity to send your products or services as a gift from the comfort of home
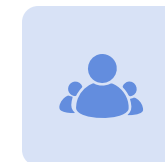

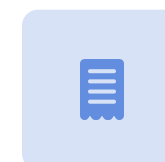

Get new clients

Gifts expand your customer base - they bring new loyal visitors to your business.
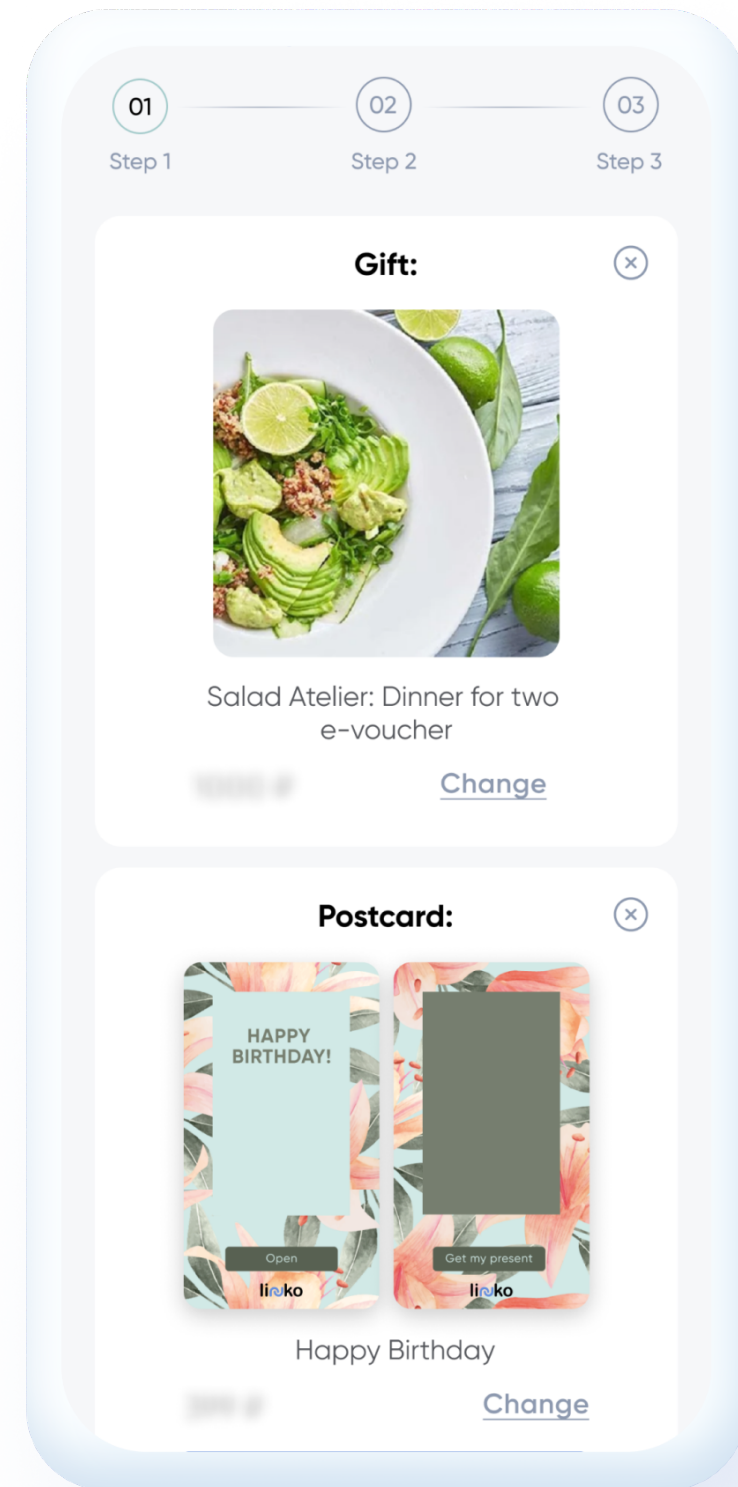

Earn before real sale

By selling as a gift card, you make a profit even before the actual gift redeem

Increase the average check

74% of customers pay extra in excess of the value of the gift card.
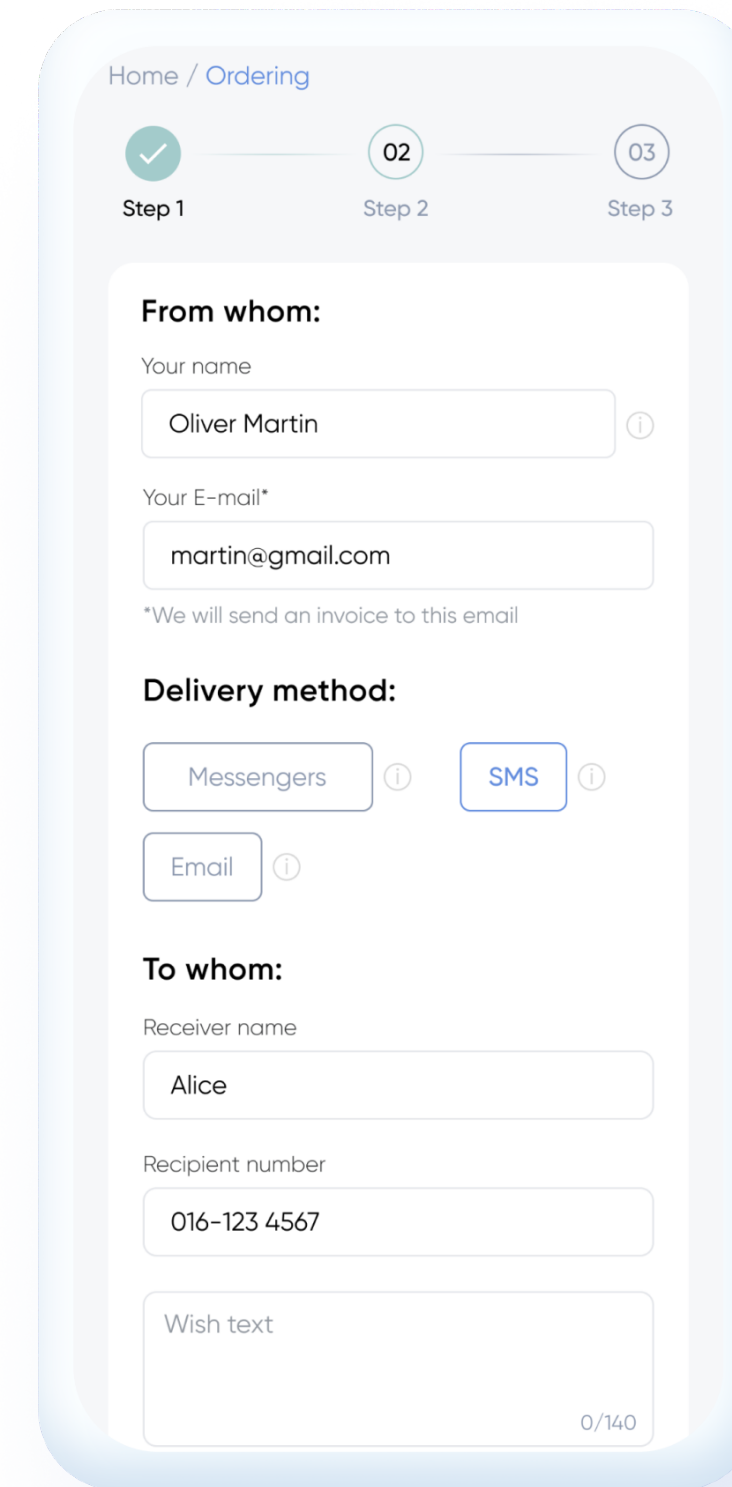

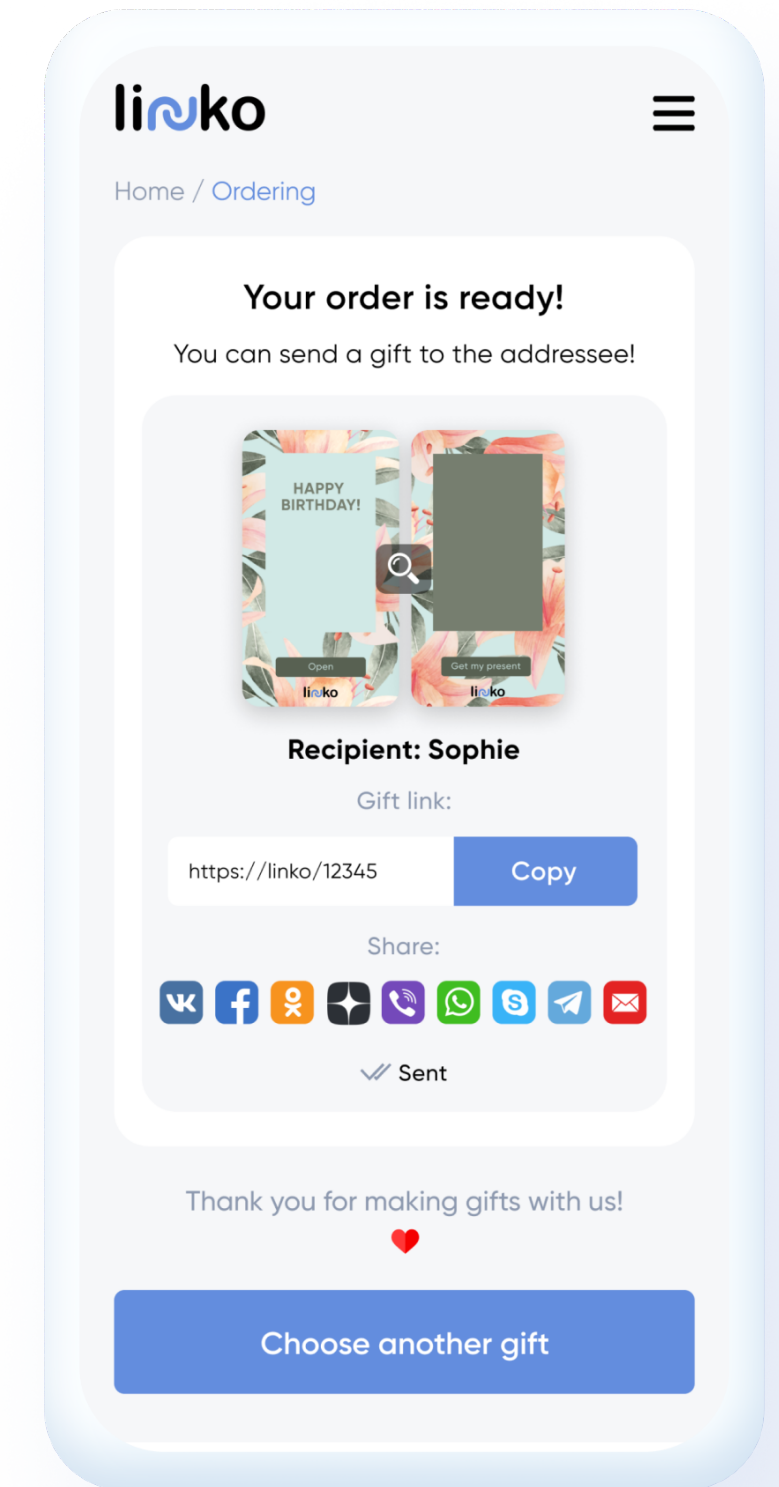

linko.online

How it works?

✓ Widget turns your product or service into a digital gift

✓ Customers buy a gift online in a couple of clicks

✓ Send a gift via email, instant messengers or social networks

✓ The giftee receives the gift online

linko.online

Why your clients love the widget?

— We thought of everything. Widget solves the main **"pains"** of your customers:

Screen 1:
Your order is ready!
You can send gifts to recipients!
There are 4 recipients on your list
Present: **Salad Atelier: Dinner for two e-voucher**
Recipient: Oliver Martin
Gift link:
http://linko.online   Copy
Share:
✓ Sent   Roll up ⌃
Recipient: **Oliver Martin**   ✓ Delivered
martin@gmail.com
Recipient: **Jack Grant**   ✓ Delivered
grant@gmail.com
Recipient: **Anna Jackson**   ✓ Sent
anna@gmail.com
Recipient: George Lewis   ✓ Sent
